A Renewed Mission and Commitment to Diversity & Inclusion

• The mission of NABA, Inc., is to address the professional needs of its members and to build leaders that shape the future of the accounting and finance profession with an unflinching commitment to inspire the same in their successors. The Association shall unite through membership accountants, finance and business related professionals and students who have similar interests and ideals, are committed to professional and academic excellence, possess a sense of professional and civic responsibility, and are concerned with enhancing opportunities for minorities in the accounting, finance and business related professions.

• The goals of the Association include, but are not limited to, the following:
  • To promote and develop the professional skills of our members.
  • To encourage and assist minority students entering the accounting profession.
  • To provide opportunities for members to fulfill their civic responsibilities.
  • To promote public confidence in our members and the services they provide.
  • To encourage cordial relations among members and cooperative relationships with other professionals.
  • To represent the interests of current and prospective minority accounting professionals.
  • To ensure long-term financial stability and provide adequate resources to implement chapter, regional, and national programs.
“Ensuring our seat at the table”
Unlimited opportunities and growth for blacks in accounting and related business professions.

Five Strategic Priorities:
- Organizational Effectiveness

## Ten Initiatives | Three Years

*(What actions do we need to take to achieve the vision & mission?)*

### Organizational Effectiveness
1. Develop high-performance, director-led staff teams with expertise in association management.
2. Align all organizational standards and documents with new BOD vision.
3. Maximize relationships with colleges & partners by shifting focus of regional work.

### Financial Sustainability
4. Develop a national RSC model to deliver uniform experience in targeted locations.
5. Launch web based events, programs and learning opportunities.

### Advocacy & Thought Leadership
6. Establish a platform for education equality as a core solution to diversity issues in the profession.

### Marketing & Branding
7. Develop standards for workplace equity as basis for solving the long-term retention challenges.
8. Deploy an inclusive strategy to define and manage overall NABA brand.

### Program & Leadership Development
9. Develop a leadership competency model as foundation for NABA branded leadership development content.
10. Establish measures of technical excellence for key accounting and finance career paths.
